# Beaminster Singers

The choir is an amateur ensemble joined in performance by professional soloists and instrumentalists. We generally perform in St Mary's Church, Beaminster. Our rehearsals are on Wednesdays at 7.30 pm, lasting about two hours.

We look for singers who can follow music and blend with other voices and potential new members attend two or three rehearsals to sing with us. If after this initial period they decide to proceed, then they are given a voice test by the Music Director.

The membership subscription is currently £40 per term (January to June and September to December). It is not payable until after voice testing.

As well as our concerts and occasional choral workshops we perform in local festivals, at fund raising concerts, dinners and ceremonial occasions. We are available for private bookings at weddings and memorial services, where we can advise on the choice of music and arrange soloists as well as singing hymns and anthems.
